

Nurse Practitioner, Term Contract

Shibogama Health Authority is an independent, progressive group of First Nation communities that have a vision and desire to make a difference in their health care. We are seeking a Nurse Practitioner to be a part of a team of health care professionals willing to pave a new way for the holistic well-being of these communities. This is a pilot project developing and implementing an innovative health model based on the spirit of culture, tradition and respect.

Qualifications:

- Current registration with the College of Nurses of Ontario as Registered Nurse in the Extended Class (EC), Bachelor of Science in Nursing degree
- Member of the RNAO/NPAO with professional liability coverage in good standing
- CPR and first aid required, ACLS/BCLS an asset
- Sound clinical background with strong health assessment and diagnostic skills
- Experience working in a primary health care community based setting, preferably outpost
- Demonstrated ability to work collaboratively as part of an interdisciplinary health care team
- Knowledge and experience working in Aboriginal communities
- Experience in delivering health education workshops

We are welcoming unique individuals who have a sincere respect for the Native culture and have skills to work independently and collaboratively with a team of health professionals and community members.

Shibogama Health Authority wishes to thank all those individuals who have taken time to apply. Only those selected for an interview will be contacted. Please submit your resume, three references and a criminal reference check by November 4, 2011 to:
