

**Employment Opportunity
NURSING DIRECTOR
FULL TIME POSITION**

Shibogama First Nations Council is a progressive First Nations Council consisting of three First Nations communities (Kingfisher Lake, Wapekeka and Wunnumin Lake) which have transferred to a community-based health care system. The incumbent to this position must be committed to a community development philosophy, embrace the primary health care model and demonstrate the ability to be a team player.

Qualifications:

- Baccalaureate in Nursing from an accredited university
- Scope of practice trained
- Hold a certification from the College of Nurses, a member of the RNAO
- Minimum of two years of management experience in a First Nations northern clinical setting
- Minimum of two years experience in managing a human resource system in a health care facility
- Availability to travel
- Ability to communicate in Oji-Cree an asset

Under the general direction of the Shibogama Health Authority Health Director and the community-based Health Councils, the Nursing Director will be required to have:

- Knowledge of health transfer
- Effective communication skills, both verbal and written
- Conflict resolution skills
- Sensitivity to cross cultural issues and demonstrated ability to incorporate this ideology in practice
- Ability to monitor the community-based mandatory nursing program and other nursing-based initiatives
- Computer literacy

Shibogama Health Authority wishes to thank all those individuals who have taken time to apply. Only those selected for an interview will be contacted.

Start Date: April 1, 2010

Salary: Salary commensurate with experience and qualifications.

Closing Date: March 12, 2010

Location: Sioux Lookout, Ontario

Please submit three references, one of which should be the current supervisor, and your resume to:
