Payahtakenemowin Wellness Program**

**Internal / External Employment Posting  
Program Coordinator – Community Mental Wellness Team  
(Full-time - 3 year term)**

**Position Summary**

The Program Coordinator – Community Mental Wellness Team oversees the administrative component of the Shibogama Community Mental Wellness Team, while working closely with leadership and Health Directors of Shibogama communities to meet the following objectives:

- Address the needs of high-risk individuals with complex mental health issues by providing coordinated, multi-disciplinary mental health supports and interventions.
- Provide pre-crisis surveillance to prevent and/or reduce the level of impending crisis and to ensure local and regional partners are informed and prepared to provide required response.
- Engage and be a part of the broader network of supports to facilitate care coordination and improve access to culturally appropriate quality care.
- Mobilize the team based on requests from First Nation communities affected by crisis.
- Provide culturally appropriate, crisis response support to develop the capacity of individuals and communities to respond to and manage crisis.
- Develop criteria for crisis intervention and develop crisis protocol plans in collaboration with the member communities and other responsible agencies.

**Required Qualifications and Experience Related to the Position Include:**

- Master's level degree and/or Bachelor's degree preferred in one of the helping disciplines from a recognized university.
- Two years management and administration experience in First Nations' health services/mental health and addictions services.
- Membership or membership qualification in a recognized provincial regulatory body.
- Fluency in Oji-Cree is preferred.
- Excellent written and oral communication, interpersonal and leadership skills.
- Thorough understanding of Indigenous approaches to healing and wellness approaches.
- Willingness and ability to travel to remote First Nation communities on a regular basis.
- Successful candidate must provide a clean, current CPIC and VSS.
